Why exhibit?

Beauty Forum Budapest has been one of the most powerful and inspiring business arenas in the Hungarian beauty industry for over 30 years. Every year, this event defines the next trends – and the brands that dictate them.

- 🔥 A steadily growing market. The Hungarian beauty sector is developing uniquely, demand and consumer needs are constantly growing - this is a great place for those who want to increase their market share.
- 🔥 Brand building and instant sales opportunity at the same time. You can present your products, innovations and services up close - exactly to those who will become your customers.
- 🔥 You will be where the profession makes decisions. The trade fair attracts professionals who are open and want to develop, invest and buy.
- 🔥 International connections. New partners, new markets – all within one event.
- 🔥 Conferences, presentations, shows. Interactive stage programs and professional presentations create the perfect professional background
- 🔥 Admission is free for the professional audience, thanks to which you can reach a huge and relevant professional audience at the event.

Be there – be visible – be at the forefront!
