Stands available for purchase from the organizer; order deadlines.

Custom stand:

If requested by our exhibitors, we can arrange for a custom stand to be constructed and allow the use of your own installation. We can provide a quotation for the cost of a custom stand based on the submitted plans. Should you wish to exhibit with a custom stand built by the Organizer, please reach out to us.

Order deadline: July 20, 2026.

For premium stands: September 20, 2026.

For standard and exclusive stands: October 10, 2026.

Between October 10 and 28, 2026, only the basic type stand will be available for order, subject to a 50% surcharge.

The Organizer does not accept orders after October 28, 2026.

The Organizer offers supplementary elements solely to partners who procure their stand through the Organizer.

Regulations for externally constructed stands not procured from the Organizer:

Measurement report

A measurement report is mandatory for all third-party stand constructors. The stand may only be operated after the measurement report has been submitted to the Organizer.

The measurement can be carried out by the general contractor appointed by the Organizer. In this case, an invoice will be issued automatically. Fee: 130 EUR

If the exhibitor chooses not to commission the Organizer for this service and instead arranges for their own qualified electrical specialist to prepare the measurement report, a declaration must be submitted by 15 October 2026. In this case, the above fee will not be invoiced.

The completed measurement report must be submitted to the Organizer before the exhibition opens, no later than 5 November 2026, 18:00. Operation of the stand will only be permitted upon submission of the measurement report.

If the declaration is not received by the deadline, the invoice will be issued and the measurement will be carried out by the Organizer's appointed contractor.

Participation criteria

All other significant regulations (such as construction height, electrical installation, etc.) are detailed in the terms and conditions of participation, available for download on our website.
